The *Journal of Applied Rehabilitation Counseling (JARC)* is seeking manuscripts for consideration for publication in future issues of the journal. *JARC* is a journal of opinion and research in professional rehabilitation counseling and addresses the needs of individuals employed in a wide variety of work settings and with wide-ranging professional interests. Manuscripts of direct or practical value to rehabilitation counselors are particularly encouraged. Also welcome are reader comments, book & media reviews, and editorials of significant interest to members of the Association.

Manuacript submission guidelines may be found at the following web address: http://nrca-net.org/jarc.html
